

ACTIVE SHOOTER AWARENESS

Workplace Training

MASS SHOOTINGS ARE ON THE RISE. DON'T WAIT UNTIL IT'S TOO LATE TO PROTECT YOUR EMPLOYEES.

Mass shootings make the news with frightening frequency. They can happen anywhere – where we shop, learn, pray, play or work.

So, you have to ask yourself, “What actions can my company take to keep our employees safe in an active shooter situation?” Hopefully, you’ll never encounter an active shooter in your workplace. But with the right preparation and strategies provided by ISTS, if this scenario ever does arise, you’ll be able to avoid a tragedy.

AT ISTS, IT'S SAFETY FIRST. AND SECOND. AND THIRD AND

ISTS is one of the region's leading safety consultants. For over 19 years, we have helped hundreds of companies create and maintain safe workplaces for everyone involved.

ACTIVE SHOOTER RESPONSE
Learn how to survive a shooting event 

RUN > HIDE > FIGHT

CALL 911 ONLY WHEN IT'S SAFE TO DO SO

- **98%** of Active Shooter Events (ASEs) occur in small and medium sized communities where police departments are limited by budget constraints and small workforces
- The average ASE lasts **12 minutes**
- **98%** of ASEs are perpetrated by lone shooters, **97%** are male
- **60%** of active shooters use pistols, **27%** rifles, **10%** shotguns
- Multiple weapons are used in **41%** of cases

EXPERT AND THOROUGH TRAINING THAT CAN SAVE LIVES.

ISTS breaks down our training into three components to enhance your chances of survival. In an active shooter event, we train you how to:

RESPOND – We offer proven strategies and actions that enhance and your run, hide or fight options for surviving an active shooter event.

PREPARE – We coordinate with your entire company to develop an Emergency Action Plan, conduct training and recognize indicators of potential workplace violence.

FOLLOW UP – In the aftermath of a workplace shooting, we can help your company manage the consequences and provide helpful and effective resources to help your employees.
